

The Nevada Governor's Office of Science, Innovation and Technology (OSIT) seeks eligible applicants meeting OSIT's criteria for high-quality STEM learning. Any curriculum, set of instructional materials, educational program, or product intended for formal or informal STEM learning may be reviewed. The [Nevada STEMList Rubric](#) will be used to evaluate and identify high-quality STEM programming. Selected programs will be included on [Nevada's List of Recommended STEM Programs](#) overseen by OSIT.
