School challenge:

Example – Middle wanted a partner in technology to volunteer with the students and help with the upcoming robotics challenge in Las Vegas

How they approached the challenge:

Example:

- STEM lead for school reached out to 15 local technical businesses in Las Vegas
- Ainsworth and Zappos expressed interest in volunteering with the students
- STEM lead developed an informal business partnership with Ainsworth to provide volunteers to assist students
- STEM lead developed a formal partnership with Zappos for resource donation for the robotics challenge

Outcome from partnerships

- Ainsworth:
 - 4 volunteers volunteered to help students 3 hours each week for 16 weeks prior to the robotics challenge as coaches
 - Volunteers assisted in the classroom at least 2 hours per week up until the competition
- Zappos
 - Zappos donated \$2000 in resources toward the robotics challenge
 - STEM lead working to establish annual donation
