**OFFICE OVERVIEW- WHO WE ARE:** The Nevada Governor’s Office of Science, Innovation and Technology (OSIT) is responsible for coordinating the planning, mapping, and procurement of broadband service in a competitively neutral and nondiscriminatory manner (NRS 223.610). OSIT’s primary goal is to achieve universal access to affordable, reliable, scalable broadband service for all Nevadans. OSIT is a small, nimble, entrepreneurial State Agency that functions as an extension of the Governor’s Office. See our State Connectivity Strategy [here](#).

It is an exciting time to work in State broadband development. As the State Broadband Office, OSIT is responsible for overseeing an allocation of over $235 million in federal funding from the American Rescue Plan Act and the Infrastructure Investment and Jobs Act. OSIT also works with stakeholders to apply for federal broadband funding awarded by the Federal Communications Commission and Universal Service Administrative Company, the National Telecommunications and Information Administration, the United States Department of Agriculture, and other federal agencies. Finally, OSIT oversees several State connectivity programs, including grants.

**POSITION OVERVIEW- WHO YOU ARE AND WHAT WOULD YOU DO:** OSIT seeks candidates with experience and knowledge in accounting, fiscal and operations management. The Accounting and Finance Manager will report directly to the OSIT Director and support the buildout of new broadband infrastructure statewide. This position is a contract position, and the incumbent will not be a state employee. The position comes with the salary indicated above and benefits are not included. This position will require the incumbent to provide documented proof of full COVID-19 vaccination status or an approved religious or health-related accommodation.
