

Request for Proposal  
Esmeralda County School District  
E-Rate FY 2019-2020  
Form 470 # 190015725

The school district is soliciting bids for three (3) switches, - prefer Aruba 2530 or equivalent, to be installed in three (3) schools. Installation not required. Technical capabilities desired:

Fully managed switches to deliver Layer 3 capabilities with optional PoE+, enhanced access security, traffic prioritization, sFlow, IPv6 host support, and power savings with Energy Efficient Ethernet. Switches should be easy to use and deploy, and deliver consistent wired/wireless user experience with unified management tools such as ClearPass Policy Manager, Airwave and cloud-based Central.

For technical information contact:

Dan Slentz  
Technical Consultant  
800-784-4091
