

Digital Navigators

Digital navigators are trained to work with individuals to help them use computers, tablets, or smartphones to do everyday tasks.

- ✓ Consult with healthcare providers remotely through telehealth.
- ✓ Apply for jobs and create online resumes.
- ✓ Use government services and resources.
- ✓ Connect with family, friends, and communities online.
- ✓ Access information, take online courses, and develop new skills.
- ✓ Pay bills, bank, and shop online.
