

NOTICE: The following is an update for the High Speed Nevada Phase I RFP

This is a notice to all interested bidders of modifications, additions, corrections, clarifications made to the following facilities lists.

- Region 1
 - Changes for Region 1 are reflected on the Washoe Appendix C Bid Response Form.
 - These changes represent the final lists of sites where bidders are required to bid.
- Region 4
 - The Duckwater Tribal school and library have been removed from the RFP. These sites are not required as a part of the RFP.
- Region 6
 - Changes for Region 6 are reflected on the Carson Storey Appendix C Bid Response Form.
 - These changes represent the final lists of sites where bidders are required to bid.
- Regions 8 and 10
 - Changes for Region 8 are reflected on the W Clark Nye Esmeralda Appendix C Bid Response Form
 - Changes for Region 10 are reflected on the Clark Metro Appendix C Bid Response Form
 - These changes represent the final lists of sites for the corresponding regions where bidders are required to bid.
 - As a courtesy and for clarity, the bidding documents have been reorganized. Further, only the current, up to date documents and forms are posted on the main region page. Previous versions can be found linked in the archives.
- The Facility Map has also been updated. The map is provided as a courtesy. Bidders are cautioned to refer to the respective Appendix C documents for each RFP Region for the listing of sites required by each RFP.
