Funding Status – FY 2019

USAC released Wave 18 for FY 2019 on Thursday, August 22nd. Funding totaled \$84.9 million including \$111.7 thousand for Nevada. Cumulative commitments through Wave 18 are \$1.47 billion including \$6 million for Nevada.

Updates on USAC’s E-Rate Productivity Center and Legacy System

Form 498 Update, cont.:

Our [newsletter of August 19th](#) contained an extensive article on USAC’s request to applicants and service providers to update their Form 498s to include a new “Business Type” field. Two additional details should be noted, namely:

- The “Business Type,” when added, does not currently appear in the online version of the newly certified Form 498 nor in the PDF version. USAC is working to correct this.
- Last Friday’s News Brief, referenced below, notes that EPC is currently replacing the information in the Remittance Contact section with that of the General Financial Contact. If these two contacts are meant to be different, the incorrect duplication should be corrected before the Form 498 is certified. Again, USAC is working to correct this.
